# IMPORTANT ANNOUNCEMENT!

Dear Friend:

*It has come to our attention that many of our clients have not been receiving our Absentee Auction Catalogues, which contain many lots of choice and desirable coins. Therefore, we take pleasure in sending herewith a copy of our latest Absentee Auction Catalogue which consists entirely of Numismatic offerings.*

*Please bear in mind, however, that this Absentee Auction is not quite the same as a standard public floor or mail bid auction, in that a call-back system is customarily used before an item is considered sold.*

*Briefly, the call-back system works as follows: After the closing day of the sale, the three highest bidders on any UNRESOLVED lot will be telephoned and given an opportunity to increase their bids if they so desire. Call-backs will continue until purchase of the lot is decided. In effect, it is the same as floor bidding, except that it is done via telephone (or Fax). You may, of course, submit bids as you would in any Absentee (or Mail-Bid) Auction.*

*Please read the Terms of Sale carefully for a fuller explanation of exactly how call-back works. If you have any questions, please feel free to call or write to us and we'll be happy to clarify any points.*

HAPPY BIDDING!

HRN LTD.

## CONDITIONS OF SALE

### COMMISSION

1. A buyer's commission of 10% of the hammer (selling) price will be added, and becomes part of the total purchase price to be paid by the buyer.

### BIDDING

2. All Bids are per lot, as numbered herein. We reserve the right to withdraw any lot prior to the sale.
3. The highest bidder shall prevail. It is the sole right of the Auctioneer to settle any dispute between bidders, to offer for resale any lot under question and to regulate the bidding. The auctioneer also reserves the right to refuse any bid he believes not to have been made in good faith.
4. Each lot in this sale has both a current estimated value and a minimum bid price. The estimated value (in parentheses) is intended as a guide to assist you in your bidding, while the minimum bid (in bold) is the lowest acceptable bid for the lot.
5. Your bid, either written or oral, grants HRN the authority to protect you up to the amount of the stated bid (or percentage increase as provided for on your bid sheet).
6. The current bid is determined by taking the second highest bid, then increasing it by one bidding increment.

Increments will be as follows:

Up to \$100 — increments of \$5	\$1,500 to \$3,000 — increments of \$100
\$100 to \$300 — increments of \$10	\$3,000 to \$7,500 — increments of \$250
\$300 to \$500 — increments of \$20	\$7,500 to \$15,000 — increments of \$500
\$500 to \$1,000 — increments of \$25	\$15,000 and over — increments of \$1,000
\$1,000 to \$1,500 — increments of \$50	

Example — you bid \$1000 on a lot, which is the highest bid received. The second highest bid is \$500—the current bid is yours at \$525. Any other bid received below \$1000 will automatically be topped by the auctioneer bidding for your account.

7. We would appreciate it if bids are not offered in odd amounts. Such bids will be automatically reduced to the lowest acceptable increment (\$102.34 becomes \$100.00).
8. In the event of tie bids, the earliest bid received will be adjudged the winner.
9. Incoming phone bids will be accepted up to 5:30 P.M., New York time, on the closing day January 17th, 1992. Any calls already on hold at that time will be accepted. Calls coming in after 5:30 P.M. will not be honored.

The mail is not always prompt. If the sale date is less than one week away, please call or FAX your bids in. Please call in your questions about lots at least one day prior to the closing day. Otherwise, we may not be able to spend as much time with you as necessary, due to the last minute rush.

10. **Call Back Service:** If you desire a call back on any lot you have bid on, please place a check on your bid sheet next to those lots. Any lots that have not been resolved prior to the closing time, will be resolved by call backs over the next few days, during regular business hours. Please indicate the telephone number, on your bid sheet, where you can be reached between 10:00 A.M. - 5:00 P.M. New York time. Bidder will forfeit call back rights if we are unable to reach you. You may, in addition, call us as a call back. **No call backs will be executed on any lots at bidding levels under \$100. Call back privileges will be awarded to the top three bidders only. Minimum bids do not qualify you for call backs. Submitted bids must be at least 20% over minimum bid to qualify for call backs!**
11. Pledged bids will not be disclosed by the auctioneer, only the current high bid.
12. You will be permitted to increase bids only on lots that you have placed bids on up to 5:30 P.M. of the closing day. No bidding will be permitted on additional lots which you have not placed a bid on prior to the closing time, during the call back period.
13. You may call at any time prior to the closing of the sale to check the status of your bid. At that time you will be informed of the highest current bid. You may then, of course, raise your bid if you desire.

14. Since the mail is not always dependable, and in order to give our clients more personalized service, we strongly recommend that you call your bids in. We will be happy to assist you with your bidding, answer any questions or give more exact descriptions of the lots.
15. HRN as cataloguer and auctioneer reserves the right to offer at this sale its own material and also may bid on any lot for its own account. Consignors also have the right to bid on their own material.

#### **PAYMENT**

16. Payment shall be in U.S. Funds. All bidders, via mail or telephone shall pay for their lots in advance of delivery unless prior arrangements have been made. Successful mail bidders shall be notified of lots won and must remit prior to lots being shipped. A charge for postage, insurance and handling shall be added, as well as appropriate New York State Sales Tax where applicable. Exemption Certificates must be on file with us prior to the sale. Receipt from a reputable carrier shall constitute delivery by us.
17. Title shall not pass until payment in full for won lots has been received. A late charge of 1½% per month shall be imposed on overdue payments.
18. Disposition of any lot not picked up thirty days after billing date shall be at the discretion of Harmer Rooke.
19. Placing of a bid shall constitute an agreement between buyer and seller and acceptance of the foregoing terms.

#### **GUARANTEES**

20. All items offered in this catalogue are guaranteed as to date, mintmark, metal, specialized catalogue number (such as Sheldon) attribution and of course, authenticity. Lots on which description is incorrect according to the above, are returnable with advance permission from HRN. Disputed lots must be returned intact in their original containers, within 10 days of receipt. Lots are not returnable for any reason (other than a question of authenticity) if:
  - a) You viewed the lot prior to the sale.
  - b) The lot contains more than one coin.
  - c) A photograph of the lot in question appears in the catalogue and clearly shows any defect not noted in description.
  - d) You cannot afford the lot. Bids placed in an auction are legally binding. Please check your finances prior to bidding.
  - e) You simply do not like the coin even though the description is correct. An auction sale is NOT an approval sale and is NOT conditional.
  - f) More than thirty days has elapsed since the day of the sale.

#### **DESCRIPTION**

21. The grading of any coin is a matter of interpretation of the features of that coin as seen by the grader. Grading is NOT an exact science but an art. It is a blending of what the grader sees added to his knowledge of coins in general and of the specific characteristics of the coin in question, plus his experience and awareness of current grading practices as well as market conditions.

The grades represented herein are a reflection of our experience and expertise in the art (not science) of grading and our awareness of the numismatic field at this particular time. They reveal our best opinion of the state of preservation of the item, and are in accordance with most presently used guides on grading as we interpret them. No warranty, expressed or implied, is extended to such opinions and interpretations. Finally, please be aware of the price paid for a coin. In many cases a lot may not meet your expectations, but you have purchased it for a substantially reduced price. Please keep this in mind when deciding if a lot is satisfactory.

## LARGE CENTS

- |  |            |          |
|--|------------|----------|
| 8. <b>1793 Wreath</b> Technically our first coin. Lovely chocolate brown Very Fine, Sheldon-8 (The Horizontal Bow) with smooth fields, strong appearance, scratch runs from below eye downward $\frac{1}{8}$ in. towards chin, but still a beautiful above average specimen of this important coin. See plate. | (4,500.00) | 1,750.00 |
|--|------------|----------|

- |  |          |        |
|--|----------|--------|
| 9. <b>1793 Wreath</b> Sheldon-9, about Good, LIBERTY evident but date weak, light corrosion but makes a great 'budget' space filler. | (650.00) | 325.00 |
|--|----------|--------|

- |   |            |        |
|---|------------|--------|
| 10. <b>1799</b> Key date of the series. Sheldon-189. Very Fine in point of wear, but the planchet is quite porous. All details, date, devices, etc. are very clear. Seldom offered in any condition. See plate. | (2,250.00) | 850.00 |
|---|------------|--------|

- |  |            |        |
|--|------------|--------|
| 11. <b>1804</b> Another key date not often available (S-266). Nice clean coin which just about makes Very Fine. A rare date which would be a high point in virtually any collection of U.S. coins. This is the type without die breaks. See plate. | (2,500.00) | 950.00 |
|--|------------|--------|

- |   |            |        |
|---|------------|--------|
| 12. <b>1811</b> Another scarce date (S-287), especially in high grade with smooth fields, as is this. Shiny chocolate patina, slightly waxy which was a popular method of preservation among early numismatists and strongly enhances the coin's beauty without unnecessarily detracting from its value. A real stunner! See plate. | (2,500.00) | 950.00 |
|---|------------|--------|

- |   |            |        |
|---|------------|--------|
| 13. <b>1814</b> Plain '4', Extra Fine with mostly smooth fields, light rough outline to profile and letters. Patina similar to the 1811, a very attractive coin, much nicer than it sounds. S-295. See plate.                   | (1,000.00) | 375.00 |
| 14. <b>1821</b> Another key date, hard-to-find in high grade. This barely misses Extra Fine, some slight evidence of wear as to be expected in the grade, even brown with a slightly darker spot left of ear bottom. See plate. | (700.00)   | 275.00 |
| 15. <b>1837 N-6</b> Eye-catching dark-brown strong Extra Fine.  | (150.00)   | 75.00  |
| 16. <b>1840 N-8</b> Choice brown, Uncirculated with an iridescent inky-blue over-blush, a very attractive combination. A tiny planchet lamination shows left of ear bottom, with nothing other to comment upon. See plate.      | (500.00)   | 175.00 |
| 17. <b>1842 N-6</b> The large date. Light brown Uncirculated with perhaps a half-dozen tiny black specks scattered about, not terribly unusual in high grade copper. Decent coin.   | (350.00)   | 90.00  |
| 18. <b>1843 Head of 1842</b> Lovely piece, ex-Wayte Raymond whose 2x2 accompanies. Strong chocolate-brown Uncirculated, nice even color, a high-grade piece better than a sixty. N-8, lovely. See plate.                        | (750.00)   | 275.00 |

20. 1850 (N-16, late date) Stunning **full red** example of the last Large Cent type. Rich orange coloring under glowing lustre with no spotting or obvious defects. An easy candidate for Gem status. See plate. (2,000.00) 750.00

21. 1851 N-7 Red Uncirculated Obverse brighter than reverse, with both sides displaying some spotting and tiny dark patches. All in all, not nearly as drastic as it may seem, and still a **red Uncirculated** piece. (450.00) 150.00

22. 1856 N-3 III Lovely **red Uncirculated** with just a hint of shade about the devices, a few slightly darker patches barely evident, but the whole blending into a really nice coin. See plate. (650.00) 175.00

## U.S. GOLD COINS

### ONE DOLLAR GOLD

205.	<b>1853</b> Type I Pretty little Mint State example with some tiny undiscernible hairlines keeping it from Gem BU. Still an above average example of the type. See plate.	(1,000.00)	<b>550.00</b>
206.	<b>1854</b> MS60+, reverse die clash, well struck and lustrous.	(375.00)	<b>200.00</b>
207.	<b>1854</b> BU60+, well-struck and lustrous. Missing denticles at top obverse (filled die?), but has good eye appeal. See plate.	(450.00)	<b>225.00</b>
208.	<b>1855</b> Type II Virtually AU with decent lustre with lower planchet bulge, as struck. Rarest variety of the series and always in demand.	(700.00)	<b>350.00</b>

209. 1855 Type II **Lustrous Mint State** example with typical strike and lovely lustre. Reverse clashmarks and minor obverse flaws (below OF and left of neck). Should be slightly better than BU60. A rare and desirable coin. See plate. (2,500.00) **1,100.00**

210. 1856 Type III Extra Fine 40 and 1853 Type I just the same. 2 coins. (300.00) **175.00**

211. 1856 Type III Slant 5 variety, Extra Fine. (175.00) **100.00**

212. 1861 Type III Lustrous **Choice BU** example of the last variety of the series. Slight obverse wire edge. A handsome piece. See plate. (1,500.00) **550.00**

213. 1876 Super proof-like example of our Centennial year graded by PCGS as MS62, most would not consider this a typical business strike. Deep mirror surfaces and frosty devices, with some minor obverse hairlines keeping it from Gem status. An unusual and attractive item. (1,250.00) **500.00**

214. 1889 Type III Last year of the series and one of the finest examples of the type we've handled in quite some time. Better than Gem BU with satiny perfect surfaces and excellent strike. A tiny copper tone spot below bust and at 7 o'clock reverse mentioned for identification. We envy the future owner. See plate. (3,500.00) **1,500.00**

215. 1889 The companion piece to the previous lot and almost as nice. Very thin faint line from back of neck to 'I' in AMERICA, but still a strong candidate for Gem BU. (1,500.00) **750.00**

## 2½ DOLLAR GOLD

216. 1802, 2 Over 1 Capped bust, stars obverse. Would be Extra Fine except for grainy surface and missing reeding most likely from use in jewelry. Reverse looks AU but small dig at first 'T' of STATES. Still, an important rarity, that doesn't turn up very often. See plate. (3,500.00) **1,500.00**

217. 1837 **CLASSIC HEAD** Extra Fine to AU with small spot on reverse shield, probably removable. See plate. (600.00) **275.00**

218. 1855 **LIBERTY TYPE** Earlier date in Borderline Uncirculated with interesting clashmarks and good eye appeal. (250.00) **125.00**

219. 1898 Unusual proof-like example of this somewhat common date. Some fine hairlines but quite flashy, could be mistaken for a Proof. See plate. (500.00) **175.00**

220. 1907 Liberty Borderline Uncirculated which many might see as Mint State. Full mint lustre but some faint obverse hairlines. Also, 1927 INDIAN Extra Fine plus. Two pieces. (400.00) **225.00**

### FIVE DOLLAR GOLD

235.	1800 Capped Bust, Heraldic Eagle <b>High grade example</b> of this early gold type. Impressive lustre over semi-prooflike surfaces with evidence of obverse die polishing. No actual wear evident but some typical reverse weakness above shield. A handsome coin and quite rare in this grade. See plate.	(8,000.00)	5,000.00
------	--	------------	----------

236.	1805 Borderline Uncirculated example with Choice Mint State reverse, unlike previous example, has full detail on eagle's breast feathers. Noticeable center dot on obverse (Breen 4E) and nice eye appeal. Would enhance most type sets. See plate.	(4,000.00)	2,250.00
------	---	------------	----------

237.	1807 Capped Bust, Heraldic Eagle Choice Extra Fine specimen with reverse very close to Uncirculated with a mintage of 32,488 pieces. This is softly struck at centers with much lustre remaining. A pleasing coin and an excellent example of this early type. See plate.	(2,500.00)	1,300.00

| 238. | 1808 Capped Draped Bust | Beautiful <b>Uncirculated</b> example with strong lustre and a crisp strike. Should rate better than MS-60 but some light surface abrasion keeps it from choice. Some P/L appearance and one of the nicer early gold pieces in the sale. See plate. | (5,000.00) | 2,250.00 |
|------|-------------------------|---|------------|----------|
239. 1811 Capped Draped Bust To Left, Tall 5 At least **AU** in point of wear but lightly polished. Missing reeding at top but signs of jewelry usage hard to discern. Still, a **rare** early gold half eagle with attractive appearance. See plate. (2,000.00) 1,000.00
240. 1836 CLASSIC HEAD Bright, Very Fine, lightly hairlined from light cleaning. (250.00) 150.00
241. 1844-O Almost **Uncirculated** in point of wear but unusual 'sea salvage' appearance subdues lustre. Still quite rare in this high a grade. (700.00) 350.00
242. 1845-D Choice **AU** version of this branch mint piece with full lustre but some unfortunate vertical scratches along Liberty's face. Still retains eye appeal and rarity. See plate. (1,250.00) 450.00
243. 1850-C Rough looking weak Very Fine with weak mint mark and tiny dig left of chin. Still rare with a mintage of only 43,984 pieces. (550.00) 225.00
244. 1851 No Motto **AU** version of this underated type. Lightly toned with soft strike but much lustre and eye appeal. (500.00) 150.00
245. 5.00 Liberty With Motto 1879-S, 1887-S Extra Fine, and 1886-S BU but deep vertical pin scratches left of Liberty. Three pieces. (350.00) 225.00
246. 5.00 Liberty 1881-S slider **Uncirculated**, 1884-S MS60+, 1908 Choice **AU**, small dig above date, and 1909-D INDIAN, Extra Fine. Four pieces. (650.00) 475.00

### TEN DOLLAR GOLD

247. 1800 Draped Bust, Heraldic Eagle Nice Extra Fine version of this impressive design. Noticeable die break through top of Liberty. Listed as rare by Breen (#6842), this year is among the lowest mintage for the series with only 5,999 pieces struck. Full detail but absence of lustre keeps it from a higher grade. Still, problem-free and attractive. See plate. (4,750.00) 2,750.00

| 248. | 1801 Capped Bust, Heraldic Eagle | Exquisite <b>BU</b> specimen with strong mint lustre and pleasing, frosty surfaces. | 249. | 1801 | Handsome <b>Mint State</b> example with pleasing lustre and traces of light toning so rarely found on early gold coins. Some reverse <b>proof-like surface</b> and above average strike. Some minor (but non-detracting) obverse abrasion keeps it from full 63 status, but much better than many <b>BU</b> pieces being offered. See plate. | (15,000.00) | 8,500.00 |
|------|------|--|-------------|----------|

250. 1840 No Motto Choice Extra Fine with semi-prooflike surfaces, hairlining keeping it from **AU**, scarce in higher grades. (350.00) 175.00
251. 10.00 Liberty 1882 EF40 and 1907 close to Almost **Uncirculated**. Two pieces. (400.00) 300.00
